B. STATEMENT OF CLAIM

On the space provided on the following pages, tell:

1. Who violated your rights;
2. What each defendant did;
3. When they did it;
4. Where it happened; and
5. Why they did it, if you know.

On March 19th, 2020 I was moved from the Milwaukee County Jail to
House of Correction, under the guise of saving space to accomodate single
cells - The conditions were not sufficient to provide adequate
preventative protection against Covid-19. It is the first
"inmate right" in the H.O.C handbook to be protected from danger
and disease. Between March 26th - April 1st I filed several paper
and Kiosk grievances addressing social, cleaning/sanitary, protective
and preventative concerns. No relief granted. Shortly after the situation
worsened, the officers began wearing masks... we were not given
masks or allowed to cover our faces. 2 individuals in my dorm
were taken out for undisclosed health reasons. still no protective

measures were taken. On April 4th I organized a 38 man petition referencing cleaning concerns, mask requests, as well as civil rights issues; addressed to the Supreme Court of WI. On April 12th, 2020 we were given masks - We were required to keep the same single use surgical mask for 1 week (which was policy until my 5th week of Quarantine) before we were given a replacement. No adequate cleaning measures or supplies were provided. I got very sick, and it did not subside, I made it known nothing was done. On April 18th, 2020 the National Guard came and tested everyone. My results were inconclusive. I was retested by WellPath on April 20th. On April 22nd the positive result was returned and I was moved to Quarantine. I remained in Quarantine for 6 weeks until I was moved back to MCT on May 28th, 2020 (untested). I still experience adverse health phenomena; as I was never properly treated for my contraction of SARS-CoV-2. Milwaukee House of Correction is directly responsible for my contraction of SARS-CoV-2 a.k.a Covid-19 due to their negligence, refusal of administrative remedy requests, the direct breaking of their own policies, not adhering to Gov. Evers orders, directly damaging actions, as well as other issues. They are liable; legally and ethically to protect inmates, they did not.

C. JURISDICTION

I am suing for a violation of federal law under 28 U.S.C. § 1331.

OR

I am suing under state law. The state citizenship of the plaintiff(s) is (are) different from the state citizenship of every defendant, and the amount of money at stake in this case (not counting interest and costs) is \$_____.

D. RELIEF WANTED

Describe what you want the Court to do if you win your lawsuit. Examples may include an award of money or an order telling defendants to do something or to stop doing something.

As I am not motivated by malice or greed, I aim to be modest
in my request. I am seeking \$300,000 in awarded money /compen-
sation, as well as any additional awards for emotional pain, suffering,
inconvenience, mental anguish, Loss of enjoyment/quality of life.
As an additional stipulation to promote resolution and compromise,
in the instance of a settlement, I am willing to waive my
right to initiate and/or participate in any class action
suits: in the present or future, as well as any future suits
based on the same or related claims.

E. JURY DEMAND
